Spend the Weekend on the Mid-Coast of Maine

This part of Maine along the Atlantic Coast is a beautiful and popular part of the state northeast of Portland. Amtrak's Downeaster runs from Boston to Brunswick at the southern end of the region, but you would need to arrange for a rental car in Brunswick to get around.

We recommend www.tripadvisor.com or www.aaa.com to find non-railroad things to do and places to stay.

Trip is rain or shine. New England Chapter is not responsible for late departures and other unexpected unfortunate occurrences beyond our direct control.

Couples Welcome!
